SAVE *the* DATE – MEDIA ROUNDTABLE

Do you report on health topics in Africa? If you do, counterfeit medicines as well as how new essential medicines and vaccines are approved for use in Africa are topics with wide-ranging implications. If you would like to learn more about these issues and meet with regional experts, please join us in Dakar for this special event at the margins of the 4th Africa Regulatory Conference.

Join us for Media Roundtable on 28 April from 7 to 8 pm following a 'Fight the Fakes' Reception (6:30 pm) at the King Fahd Palace Hotel, Dakar, Senegal

Note that on 29 April, a full day workshop on counterfeit medicines is organised and to which you are welcome to attend. No registration fee is required.

For registration and more details on the media roundtable, please e-mail Sadia Kaenzig at s.kaenzig@ifpma.org by 21 April the latest.
