Lifecycle Management: Improving post-approval processes to ensure availability of medicines and vaccines for patients

&

17:45 – 18:45 Panel 2
#patientsRwaiting: Why regulatory system strengthening matters
A panel moderated by Gerry Rantseli Elsdon, South African Media Personality, International TB Ambassador and Humanitarian

These panels will be followed by a cocktail reception at 18:45

This co-hosted IFPMA and IPASA event will bring key regulatory stakeholders together for an open and interactive discussion on the lifecycle management of medicines and vaccines, the current barriers and potential solutions for regulatory convergence, and how all stakeholders need to work together towards sound regulatory system strengthening.

Registration is open to all and participants are invited to register in advance here.

The event will take place in Westin Cape Town, Da Gama/Diaz room, Convention Square, Lower Long Street, Cape Town 8001, South Africa
