Our Ethos  Building a culture of trust

Honesty
Ensure truthful and balanced communication with governmental authorities, healthcare professionals, patients and other stakeholders.

Speaking Up
Foster a culture in our respective organisations where concerns are shared openly and honestly so that we learn from mistakes and continuously improve.

Transparency
Advance science and patient care by sharing industry-sponsored clinical trial data in a responsible, accurate and appropriate manner.

Care
Protect the safety of those who use our products – from the conduct of clinical trials and throughout the product lifecycle.

Innovation
Improve global health through innovative products and services, upholding the highest ethical, scientific, and medical standards.

Quality
Commit to providing high-quality products that have proven clinical efficacy and have a reliable safety profile.

Transparency
Advance science and patient care by sharing industry-sponsored clinical trial data in a responsible, accurate and appropriate manner.

Integrity
Act responsibly, ethically and professionally. Do not offer, promise, provide, or accept anything of value in order to inappropriately influence a decision, gain an unfair advantage.

Accountability
Be accountable for our actions and decisions, including the appropriate oversight of external third parties that act on our behalf.

Fairness
Support and respect fair trade practices and open competition.

Respect
Respect all people and embrace a culture of diversity and inclusion. Protect the environment. Treat animals under our care responsibly.

Privacy
Respect privacy rights and appropriately manage and protect personal information.

Education
Support the advancement of the scientific and medical education for the ultimate benefit of patients.

Trust
Act with integrity and honesty to improve patient care and build trust with those we serve and to respect the independence of healthcare providers, patients and other stakeholders.
