

Pre-ICDRA 2018

IFPMA MODERATED PANELS

PROGRAM

18:00 – 19:00	From Regional Economic Communities to African Medicine Agency: Where are we today?
19:00 – 20:00	The Importance of Patient Involvement in Regulatory Decision-Making - Lessons learned
20:00 – 20:30	Networking Reception

Join us at the margins of Pre-ICDRA 2018 for a discussion on where we stand today regarding some of the regulatory issues addressed at the previous ICDRA meeting. We will look at Africa's progressive buildup towards regulatory convergence and harmonization, and patients engagement on regulatory processes. Panels will be followed by a Q&A session and a networking reception.
