

ONE in SEVEN

One person in seven suffers from one or more NTDs

What are we doing to help them?

**Doing our part:
Implementation of
capacity
building
efforts**

**40 health
partnerships**

**combining prevention,
training and treatment**

We are working with partners to:

- Increase availability of existing treatments and vaccines
- Strengthen health systems by equipping hospitals, providing medicines and supporting provision of safe water and sanitation
- Train healthcare professionals and researchers on care delivery and R&D using creative tools and technologies
- Raise awareness on diseases, prevention, and needed science-based regulatory policies
