IFPMA represents the research-based pharmaceutical companies and associations across the globe. The research-based pharmaceutical industry’s 2 million employees research, develop and provide medicines and vaccines that improve the life of patients worldwide. Based in Geneva, IFPMA has official relations with the United Nations and contributes industry expertise to help the global health community find solutions that improve global health. For more information, please visit www.ifpma.org.

Main activities

- The Intern will support 2 teams: the Africa Engagement Committee (AEC) and the Global Health and Access Committee (GHAC), on a 50-50 basis:
  - The Intern will support the policy leads on topics related to Global Health and the African Health Ecosystem such as UHC, disease area policy such as NCDs and infectious diseases; access to medical products, AfCFTA, local production, and the pharmaceutical market in Sub-Saharan Africa. Activities may include the development of policy, communication and research materials, utilizing desk research and analysis.
  - The Intern will also be involved in the preparation and reporting of key briefing and meeting documents, and presentations on various topics and may be required to attend external engagement activities.
  - The Intern will liaise with other teams and Committees throughout IFPMA as necessary to complete the various projects assigned.
Key skills

- Excellent oral and written communication, particularly in PowerPoint
- Knowledge of the Sub-Saharan health policy landscape and of its main stakeholders
- Ability to conduct health policy research
- A hands-on approach and confidence to take on different projects at the same time with good organization skills
- Creativity and problem-solving skills

Education

- Enrolled in Masters/Doctorate Program in Global Health, Political Science or International Affairs
- Other relevant Master/Doctorate Degree Program

Languages

- Fluency in written and spoken English
- Knowledge in other languages is an asset, e.g. French, Portuguese

How to apply

Interested in this position?
Please send us your CV and Cover Letter in PDF format to job@ifpma.org with “IFPMA AEC and GHAC Engagement Internship” in the subject line.

Application Deadline is Friday, 18 August 2023.

We thank all those who apply; however only candidates selected for an interview will be contacted. As a Geneva-based organization, IFPMA prioritizes internship applicants from local educational institutions.

Date of Publication: 27 July 2023
